## IMPORTANT GOVERNMENT ORDERS

## CHIEF SECRETARIAT

### Reservation of buildings, etc., for the Meeting of the Governing Body of the International Labour Organization.

ORDER No. L.S. 1274-153—L.W. 49-494, DATED BANGALORE, THE 5TH NOVEMBER 1949.

The Directorate-General of the International Labour Organization has accepted the invitation of this Government to hold a Session of its Governing Body in Mysore during the ensuing Winter, from 29th December 1949 to 7th January 1950. Advantage is proposed to be taken of this occasion to convene a Conference of Labour Ministers of Provinces and States on the 26th and 27th December 1949.

The Commissioner of Labour in Mysore is requested to make all necessary arrangements in this connection, in close consultation with the Indian Branch of the International Labour Organization at New Delhi, the Labour Ministry of the Government of India, and the Planning Officer of the Central Food Technological Research Institute at Mysore. The Commissioner of Labour will be assisted by the Special Duty Officer appointed for the purpose.

In view of the large number of Delegates, Guests and Officers who are expected to attend the meetings, steps may be taken to reserve accommodation for them in the following buildings :—

Government House, Mysore.  
Staff Quarters, Mysore.  
Hotel Metropole, Mysore.  
Hotel Krishnarajasagar.  
Travellers' Bungalow at Krishnarajasagar.  
New Indian Guests' Quarters, Mysore.  
Modern Hindu Hotel, Mysore.

The Special Duty Officer will arrange to secure any additional accommodation that may be required.

The Heads of Departments, particularly the Inspector-General of Police, the Chief Commandant, Mysore State Troops, the Director of Food Supplies, the Excise Commissioner, the Traffic Manager, Mysore Railways, the Chief Electrical Engineer, the Chief Engineer and the Director of Public Health, are requested to extend to the Conference authorities all reasonable facilities pertaining to their Departments. The Chief Engineer is requested to take immediate steps to have the several buildings required for the meetings under reference and for occupation by the Delegates, etc., white-washed and colour-washed, if necessary, and if they have not already been white-washed and colour-washed for the Adult Education Seminar, and to have the furniture, mattresses, etc., in them replaced or repaired if necessary. The Chief Electrical Engineer is requested to afford, as far as possible, on requisitions from the Special Duty Officer, facilities like electric heaters, telephones, call-bells, etc., in the meeting halls and Delegates' camps.

K. SRINIVASAN, Chief Secy.

## REVENUE SECRETARIAT

### Reviews the Administration Report of the Department of Land Records, Survey and Settlement for the year 1947-48.

READ—

Letter No. 69, dated the 4th October 1948, from the Commissioner for Settlement and Land Records in Mysore, submitting a report on the working of the Department of Land Records, Survey and Settlement for the year 1947-48.

ORDER THEREON NO. R. 3882-95—L.S. 74-48-3, DATED BANGALORE,  
THE 1ST NOVEMBER 1949.

Recorded.

2. The following are the main features of the special items of work of the department during the year :—

(i) Measurement of lands belonging to Beaulieu in Sampigehalli (Bangalore City Area) was undertaken and completed.

(ii) Measurement of lands granted to the Mysore Sugar Co., Ltd., in 23 Government Villages of Mandya, Maddur and Malavalli Taluks was taken up during the year.

(iii) The lands to be acquired in Manchada Tevaru and Thigad villages of Tarikere Taluk for the formation of the second Rope Way Line at Kemmanagundi  $3\frac{1}{2}$  miles in length were measured by Theodolite and demarcated.

(iv) In connection with the extension of the "New Town Board, Bhadravathi" measurement and preparation of sketches of the sites proposed for building purposes in certain S. Nos. of Jannapura and Hutta villages of Bhadravati Taluk were undertaken besides measuring and preparing sketches of about 700 sites of unauthorised construction of buildings.

(v) Measurement of irrigable lands under Bhrugu River Channel in Nanjangud Taluk commenced in the previous year was completed during the current year.

3. *Field work done during the year:* (i) *Work in the Inam Villages.*—(i) Original Survey in 27 (15) Inam villages, comprising of 2,043 Survey Numbers (1,607) and 8,026 acres 25 guntas (7,327); classification in 13 Inam villages, comprising 1,450 (1,420) Survey Numbers with an extent of 6,768 acres 6 guntas (5,139); Re-classification of 328 Survey Numbers (545) covering an extent of 791 acres 16 guntas (1,129 acres 31 guntas) measurement of 11,529 (5,120) Hissas in 19 (6) Inam villages, erection of boundary marks pertaining to 1,664 (1863) Survey Numbers in the 13 (16) Inam villages and miscellaneous phodi work in 1 (2) Inam village comprising of 158 (159) Survey Numbers have been carried out.

(ii) *Work in Government Villages.*—Six thousand six hundred and twenty-five (6,816) darkhast and other miscellaneous records were disposed of during the year. The mobile parties formed to dispose of the arrears of Phod and Mutation Records in the Taluks of Channapatna and Doddaballapur have measured 374 Survey Numbers involving 1,163 acres 22 guntas, classified 91 Survey Numbers comprising 364 acres 30 guntas, and disposed of 1,805 mutation cases involving 2,287 Hissas.

4. *Maps.*—During the year, maps of 97 villages were prepared as against 205 in the previous year. In accordance with Government Order No. R. 3870-81—L.S. 22-44-2, dated 5th December 1944, directing that 50 per cent of the stock of maps should be made available for sale in the respective Taluk Offices, up-to-date corrections were incorporated in 17,340 maps, pertaining to 1,583 villages spread over 8 Taluks. Corrections were also made in 507 copies of Taluk and District maps. One thousand seven hundred and eighty-two maps were supplied to the public and several departments of the State and the amount realised therefrom was Rs. 2,188-4-0. The stock of maps at the end of the year was 487,741 valued at Rs. 4,88,464-12-0 inclusive of 10,625 maps of value of Rs. 12,000-0-0 supplied to the Taluks during the year.

5. *R. R. Schemes.*—Hissas Survey field work was done in 19 Inam villages and 11,529 Hissas were measured as against 5,120 Hissas during the previous year. Eight thousand five hundred and thirty-seven Hissas were checked during the monsoon season as against 3,954 cases in the previous year.

The Taluk Surveyors posted for disposal of mutation cases attended to the disposal of 23,193 cases, involving measurement of 40,035 Hissas.

6. *Resumption of Inams.*—Twenty-five Inams with an extent of 121 acres 37 guntas were resumed during the year resulting in a decrease of about Rs. 50-2-0 under the jodi and a net increase of Rs. 147-12-0 in the Land Revenue.

7. *Remuneration to the Patels and Shanbhogues.*—Decennial Revision of Potgi was effected in respect of 712 villages leaving a balance of 7,400 villages and refixing of Potgi in accordance with the Government Order No. R. 1744-55—L.R. 58-48-3, dated 3rd October 1944, was effected in respect of 1,019 villages leaving a balance of 9,617 villages.

8. *Survey Training.*—The Special Class to impart the Survey Training to the Survey Probationers which commenced in the previous year was continued during the year under report. Besides this, survey training was imparted to 9 Probationary Assistant Commissioners and 4 Amildars.

9. *Tours and Inspections.*—The Superintendent of Land Records toured for 40 days and has conducted test inspections of the work of Surveyors, Supervisors, and District Survey Officers, inspected 3 District Survey Offices and 13 Taluk Offices. The Commissioner for Settlement and Land Records inspected 1 Taluk Office. The District Survey Officer, Kolar, has toured for more than 150 days, with the exception of the District Survey Officers of Hassan and Mandya Districts; the number of days toured by all the other District Survey Officers is far below the prescribed limit, the lowest being that of the District Survey Officers of Tumkur and Chitaldrug Districts. This is stated to be due to the fact that there were frequent change of officers in general, and no separate District Survey Officer being posted to Tumkur District for nearly five months.

10. *Cost of Department.*—The total cost of the department amounted to Rs. 3,86,522-11-11 (Rs. 3,34,880-6-3), of which the cost of the Land Revenue Department amounted to Rs. 1,48,979-14-0 (Rs. 1,38,052-1-0) and the expenditure incurred on the R.R. Scheme amounted to Rs. 2,37,542-13-11 (Rs. 1,96,328-5-3).
